

A tire covered by the Basic Limited Warranty will be replaced with an equivalent new tire for a pro-rated amount if it becomes unusable for any reason within the manufacturer's control under the following conditions:

- **There is no free replacement period.**
- **Coverage** extends up to 5 years (3 years for Primewell brand) from the date of purchase - proof of purchase date required. Without proof of purchase date, then 6 years (4 years for Primewell brand) from the date of tire manufacture. During this period, the tire will be replaced charging a pro-rated amount. To determine the replacement price, the percent of used treadwear is multiplied by THE RETAILER'S then-current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **The tire must not be worn to 2/32 inch (1.6 mm) or less** remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves).
- **Exclusions apply** - as identified in the section "What This Limited Warranty Does Not Cover."

SUPPLEMENTAL MILEAGE LIMITED WARRANTY

If a tire covered by the Supplemental Mileage Limited Warranty wears evenly across the tread down to the treadwear indicators—2/32 inch (1.6 mm)—during the stated warranted mileage for that tire (as evidenced by the vehicle's odometer), the tire will be replaced with an equivalent new tire for a pro-rated amount under the following conditions:

- Only the passenger and light truck tires listed in this section are covered by the Supplemental Mileage Limited Warranty for the mileage shown.
- Coverage applies only to the original purchaser, and only for so long as the tires

remain mounted on the vehicle described in the Customer Identification Section of this manual.

- Coverage extends up to 5 years from the date of purchase - proof of purchase date required.
- To determine the replacement price, the percent of warranted mileage obtained is multiplied by THE RETAILER'S then-current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- Tires used in commercial service and original equipment tires on new vehicles have no mileage warranty.
- Exclusions apply—as identified in the section “What This Limited Warranty Does Not Cover.”
